Jim

We are trying to verify concerns raised about panel members.

Can we chat about the options this morning.

Subject: CLA objection to expert panel participation
Importance: High

Dear Steven- as noted in our earlier letter, CLA has concerns about potential conflict(s) of interest by member(s) of the FIFRA SAP on glyphosate carcinogenicity. We have posted the attached letter to the docket for the SAP as well.

Please contact me directly with any questions or concerns.

Best
